

**Get involved. Be a part of the oldest school in Lafayette.**

**Buy a ticket. Be a sponsor.**

For over 160 years, Cathedral-Carmel Catholic School has sustained its mission of teaching minds and touching hearts in a faith-filled environment. Parental and community commitment has been vital to this success.

The Parent Booster Association (PBA), comprised of all Cathedral-Carmel parents, endeavors to advance the technological innovations, facility needs and goals of this historic institution while also working with the school to implement its 20/20 Vision and Strategic Plan.

The PBA's signature event is the annual \$10,000 Raffle and Auction. This central and beneficial event supports our infrastructure, secures our future and sustains our mission. The event is a roaring night of fun on our beautiful campus.

Join us in our support of Cathedral-Carmel School; we invite you to support the 2012 \$10,000 Raffle and Auction. *Get involved. Be a part of the oldest school in Lafayette. Buy a ticket. Be a sponsor.*

## **What is the Auction?**

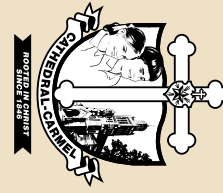

**"A Roaring Night in the Tiger Den"**  
is just that and much more:

- ❖ A Roaring Good Time!

# Where does the money go?

The monies raised at this event aid in on-going campus renovations, technology upgrades and teacher resource wish lists. Two major projects targeted this year are renovating the quad area and resurrecting the stage in the gym.

The \$10,000 Raffle and Auction is the **biggest fundraiser** for the CCS Parent Booster Association (PBA).

This year's event will be held on Saturday, March 10th, 2012 on the CCS campus.

With your help, last year PBA was able to donate over \$235,000 to the school. These funds were made possible through this spring fundraiser, the fall magazine drive and several other smaller fundraisers held during the school year.

If you would like to get involved with the leadership team or a particular fundraiser or committee, please contact Jeannie DelGreco, PBA President, email [jeannedelgreco@lusfiber.net](mailto:jeannedelgreco@lusfiber.net).
